IN RE:

Joint Petition of Berkeley Electric Cooperative, Inc., Coastal Electric Cooperative, Inc., Edisto Electric Cooperative, Inc., and South Carolina Electric & Gas Company for the Assignment and Reassignment of Territory in Charleston and Dorchester Counties and Approval of Agreements to Limit Corridor Rights.

**JOINT PETITION FOR ASSIGNMENT
AND RE-ASSIGNMENT OF TERRITORY**

Berkeley Electric Cooperative, Inc. ("Berkeley Electric"), Coastal Electric Cooperative, Inc. ("Coastal Electric"), Edisto Electric Cooperative, Inc. ("Edisto Electric"), and South Carolina Electric & Gas Company ("SCE&G") (collectively, the "Petitioners") hereby jointly petition the Public Service Commission of South Carolina (the "Commission") for assignment and reassignment of certain territory in Charleston and Dorchester Counties and approval of agreements to eliminate "corridor rights" in the specified areas. This Joint Petition is made pursuant to The Territorial Assignment Act, S.C. Code Ann. §§ 58-27-610 to -690 (2015).

I. Introduction

In support of this Joint Petition, Petitioners allege and show unto the Commission the following:

1. SCE&G is a corporation organized and existing under the laws of the State of South Carolina. Further, SCE&G is, in part, an electrical utility engaged in the generation, transmission, distribution, and sale of electricity to the public for compensation. SCE&G's retail electric operations are subject to the jurisdiction of the Commission. Additionally, SCE&G is an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

2. Berkeley Electric, Coastal Electric, and Edisto Electric are subject to the limited jurisdiction of the Commission as an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

3. The Commission may assign to electric suppliers areas outside the corporate limits of municipalities and that are more than 300 feet from the lines of electric suppliers. S.C. Code Ann. § 58-27-640 (2015).

4. Upon agreement of the affected electric suppliers, the Commission may reassign portions of previously assigned service areas. S.C. Code Ann. § 58-27-650(A) (2015).

5. The Commission has the authority to approve agreements between electric suppliers concerning corridor rights. The Commission shall approve those agreements if, after giving notice and an opportunity for hearing to interested parties, it finds the agreements to be fair and reasonable. S.C. Code Ann. § 58-27-620(8) (2015).

6. The Commission has previously exercised its statutory authority and assigned electric service territories within Charleston County, South Carolina, to Berkeley Electric and SCE&G.

7. The Commission has previously exercised its statutory authority and assigned electric service territories within Dorchester County, South Carolina, to Berkeley Electric, Coastal Electric, Edisto Electric, and SCE&G.

8. The herein proposed assignment and re-assignment of territories among the Petitioners will not cause any customers to change their service; that is, no customers will be affected by the Joint Petition.

9. **Exhibit 1**, attached to this Petition and incorporated herein by reference, is the “Key Map” that depicts the present and proposed assignment of territories in the affected portions of Charleston County. This Key Map is the result of lengthy good faith negotiations between Berkeley Electric and SCE&G to assign and re-assign various territories within Charleston County. The characteristics of the Key Map are as follows:

- a. On **Exhibit 1**, the affected portions of Charleston County are divided into grid blocks (*e.g.*, A10, H3). Each grid block represents a distinct portion of Charleston County, and is described in further detail by way of additional exhibits attached to this Joint Petition. These grid blocks depict the proposed assignment and/or reassignment of territory at the street level.
- b. On **Exhibit 1**, territory that is shaded in light green is presently assigned to Berkeley Electric.
- c. On **Exhibit 1**, territory that is shaded in dark green is presently assigned to SCE&G or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Berkeley Electric.
- d. On **Exhibit 1**, territory that is shaded in light red is presently assigned to SCE&G.

- e. On **Exhibit 1**, territory that is shaded in dark red is presently assigned to Berkeley Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to SCE&G.
- f. On **Exhibit 1**, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

10. **Exhibit 2**, attached to this Petition and incorporated herein by reference, is the "Key Map" that depicts the present and proposed assignment of territories in the affected portions of Dorchester County. This Key Map is the result of lengthy good faith negotiations between Berkeley Electric, Coastal Electric, Edisto Electric, and SCE&G to assign and re-assign various territories within Dorchester County. The characteristics of the Key Map are as follows:

- a. On **Exhibit 2**, the affected portions of Dorchester County are divided into grid blocks (*e.g.*, J1, N7). Each grid block represents a distinct portion of Dorchester County, and is described in further detail by way of additional exhibits attached to this Joint Petition. These grid blocks depict the proposed assignment and/or reassignment of territory at the street level.
- b. On **Exhibit 2**, territory shaded in light green is presently assigned to Berkeley Electric.
- c. On **Exhibit 2**, territory that is shaded in dark green is presently assigned to SCE&G, Coastal Electric, or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Berkeley Electric.
- d. On **Exhibit 2**, territory that is shaded in light gray is presently assigned to Coastal Electric.
- e. On **Exhibit 2**, territory that is shaded in dark gray is presently assigned to SCE&G, Berkeley Electric, or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Coastal Electric.
- f. On **Exhibit 2**, territory that is shaded in light blue is presently assigned to Edisto Electric.
- g. On **Exhibit 2**, territory that is shaded in dark blue is presently assigned to SCE&G, Berkeley Electric, or Coastal Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Edisto Electric.

- h. On **Exhibit 2**, territory that is shaded in light red is presently assigned to SCE&G.
- i. On **Exhibit 2**, territory that is shaded in dark red is presently assigned to Berkeley Electric, Coastal Electric, or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to SCE&G.
- j. On **Exhibit 2**, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

II. Request to Assign Area in Charleston County and Reassign Territory in Charleston County

11. As shown on **Exhibit 1** (Key Map) and enlarged on **Pages A10, B8 – B11, C3, C7 – C11, D3 – D9, E1 – E8, F1 – F7, G1 – G6, and H1 – H3**:

- a. The territory that is shaded in light green is presently assigned to Berkeley Electric.
- b. The territory that is shaded in dark green is presently assigned to SCE&G or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Berkeley Electric.
- c. The territory that is shaded in light red is presently assigned to SCE&G.
- d. The territory that is shaded in dark red is presently assigned to Berkeley Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to SCE&G.
- e. The area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

12. Petitioners respectfully request that the Commission assign the above detailed portions of Charleston County in accordance with the Petitioners' negotiated agreement.

13. Agreement to Limit Corridor Rights in Specified Areas in Charleston County

In the areas shown on the colored portions of **Exhibit 1**, Berkeley Electric and SCE&G own many miles of distribution lines that have "corridor rights;" therefore, by virtue of those

corridor rights, Berkeley Electric and SCE&G are each able to serve new customers located in territory assigned to another.

However, in order to avoid wasteful duplication of electric distribution lines and appurtenant facilities and to better operate their distribution systems safely, Berkeley Electric and SCE&G have agreed that they will abandon said corridor rights and not assert a corridor right to serve a customer outside the territory assigned to that Petitioner in Charleston County as set forth in the above paragraph.

III. Request to Assign Area in Dorchester County and Reassign Territory in Dorchester County

14. As shown on **Exhibit 2** (Key Map) and enlarged on **Pages J1 – J5, K1 – K5, L2 – L6, M4 – M7, and N4 – N7**:

- a. The territory that is shaded in light green is presently assigned to Berkeley Electric.
- b. The territory that is shaded in dark green is presently assigned to SCE&G, Coastal Electric, or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Berkeley Electric.
- c. The territory that is shaded in light gray is presently assigned to Coastal Electric.
- d. The territory that is shaded in dark gray is presently assigned to SCE&G, Berkeley Electric, or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Coastal Electric.
- e. The territory that is shaded in light blue is presently assigned to Edisto Electric.
- f. The territory that is shaded in dark blue is presently assigned to SCE&G, Berkeley Electric, or Coastal Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Edisto Electric.
- g. The territory that is shaded in light red is presently assigned to SCE&G.
- h. The territory that is shaded in dark red is presently assigned to Berkeley Electric, Coastal Electric, or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to SCE&G.

- i. The area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

15. Petitioners respectfully request that the Commission assign the above detailed portions of Dorchester County in accordance with the Petitioners' negotiated agreement.

16. Agreement to Limit Corridor Rights in Specified Areas in Dorchester County

In the areas shown on the colored portions of **Exhibit 2**, Berkeley Electric, Coastal Electric, Edisto Electric, and SCE&G own many miles of distribution lines that have "corridor rights;" therefore, by virtue of those corridor rights, Berkeley Electric, Coastal Electric, Edisto Electric, and SCE&G are each able to serve new customers located in territory assigned to another.

However, in order to avoid wasteful duplication of electric distribution lines and appurtenant facilities and to better operate their distribution systems safely, Berkeley Electric, Coastal Electric, Edisto Electric, and SCE&G have agreed that they will abandon said corridor rights and not assert a corridor right to serve a customer outside the territory assigned to that Petitioner in Dorchester County as set forth in the above paragraph.

17. Petitioners allege that no facilities or territories of any other electric suppliers are affected by the changes Petitioners propose herein.

18. Petitioners allege that each is fully capable of furnishing adequate and dependable electric service in the areas that each now serves and would serve upon the Commission's granting of this Petition.

19. Petitioners have considered the public convenience and necessity in their negotiations and believe the assignment and reassignment of the above detailed territories are in the public interest and assert that the Commission's approval of this Petition will be in the public interest. By making the assignments of territory in the manner described in this Petition, Berkeley Electric, Coastal Electric, Edisto Electric, and SCE&G have given careful consideration to system economy, service reliability and good utility practice, efficiency and safety – all of which support a finding that the assignment of territory set forth herein promotes public convenience and necessity. Moreover, the assignment and reassignment of these territories will avoid the duplication of utility facilities in these areas.

20. Petitioners respectfully request that the Commission determine this matter solely on the basis of this filing unless there are protests or petitions to intervene, and in that event, to set this matter for hearing and determination at the earliest possible date.

WHEREFORE, Berkeley Electric Cooperative Inc., Coastal Electric Cooperative, Inc., Edisto Electric Cooperative, Inc., and South Carolina Electric & Gas Company, having jointly made petition to the Commission, pray that the Commission issue its order:

1. Accepting this Petition as filed;
2. Finding and determining that the territorial assignments and reassignments as set forth in Paragraphs 9 through 20 supersede any prior territorial assignment and that the assignments and reassignments are in accordance with the public convenience and necessity;
3. Reassigning to Berkeley Electric the territories detailed in the attached exhibits and described above;
4. Reassigning to Coastal Electric the territories detailed in the attached exhibits and described above;
5. Reassigning to Edisto Electric the territories detailed in the attached exhibits and described above;
6. Reassigning to SCE&G the territories detailed in the attached exhibits and described above;
7. Approving the agreement among Petitioners wherein each has agreed not to assert corridor rights outside the territory assigned to them in the area described in Paragraphs 13 and 16 above.
8. Amending the territorial assignment maps to reflect the assignments and reassignments requested herein.
